

Rochester Works!

Are you a job seeker looking for help with your job search? Are you preparing for a change in jobs?

RochesterWorks! is bringing its workshops to the community through partnerships with area libraries and organizations. This will increase our ability to help even more job seekers.

In this challenging economic climate, we believe it is important to provide access to job search information to as many people as possible. That is why we are so glad to partner with the libraries below.

Arnett Branch, 428-8214
Brighton Memorial Library, 784-5300
Brockport-Seymour Library, 637-1050
Central Library (Downtown), 428-7300
Chili Public Library, 889-2200
East Rochester Public Library, 586-8302
Fairport Public Library, 223-9091
Gates Public Library, 247-6446
Greece Public Library, 225-8951
