## **RochesterWorks! Names Complemar Employer of the Month**

***Award-winning Company Invests in Employee Skills, Provided Extensive Training to 58 Employees with Help of Wired Grant***

Rochester, N.Y., September 8, 2008 — RochesterWorks! ([www.rochesterworks.org](http://www.rochesterworks.org)) has named Complemar Packaging and Fulfillment Employer of the Month for September. The 60-year-old Rochester-based company is a leading supplier of outsourced business services including fulfillment, packaging, inventory management, product assembly, marketing, customer support and administrative services.

Complemar was selected in part because of its commitment to investing in employee skills. It recently provided extensive training to 58 employees in its ongoing goal to provide more cost effective and innovative processes. The company has an open budget for all training and reviews all opportunities for improvement of skills as an investment in future business. RochesterWorks! helped Complemar access funding to offset the cost of training through a Wired Scholarship ([www.fingerlakeswired.com](http://www.fingerlakeswired.com)).

Complemar's training and education included Lean Manufacturing, Self-managed Work Teams, ISO 9001 Lead Auditor, Interactive Skills and Safety Training as well as Six Sigma Green Belt Training resulting in six certified green belts. The training helped the company gain attention of the Mailing & Fulfillment Service Association, which awarded it First Place in its Ed Sisk Excellence Award.

To be chosen as Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to area job seekers.
