RochesterWorks! Names Home Care of Rochester December Employer of the Month

Rochester, NY—November 25, 2008—RochesterWorks! has selected Home Care of Rochester as employer of the month for December.

To be named an Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to job seekers in our region.

HCR was chosen based on the company's dedication to its employees and commitment to its current and future workforce. With assistance from a Wired Scholarship, HCR provided training to its employees, enabling them to increase their skills and get the tools they need to succeed and prosper. HCR has also shown dedication to the future workforce by posting positions with RochesterWorks! and participating in RochesterWorks! Recruiting Round Rochester events at which they provided information about careers at HCR.

HCR is currently recruiting for Community Health Nurses, a Home Health Aide Trainer, Home Health Aides and a Quality Assurance Medical Billing Specialist.
