## RochesterWorks! Names Lifetime Care February Employer of the Month

*Rochester, NY—February 2009--*RochesterWorks! has selected Lifetime Care as employer of the month for February 2009.

To be named an Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to job seekers in our region.

Lifetime Care was chosen based on the company's dedication to its employees and commitment to personal and professional growth for its current and future workforce. With assistance from a Finger Lakes Wired Scholarship, Lifetime Care is providing Lean Six Sigma training to selected employees, enabling them to increase their process improvement skills and get the tools they need to define, implement and maintain improvements over time. Lifetime Care has also shown dedication to the future workforce by posting positions with RochesterWorks! and participating in RochesterWorks! Recruiting Round Rochester events, providing information about healthcare careers at Lifetime Care.

Lifetime Care does have current career opportunities and is currently recruiting for Community Health Nurses, Patient Care Coordinators, Physical Therapists, Home Health Aides and a Medical Social Worker.
