RochesterWorks! Named AJL Manufacturing, Inc September Employer of the Month

Rochester, NY—September 1, 2009—RochesterWorks! has selected AJL Manufacturing, Inc as employer of the month for September.

To be named an Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to job seekers in our region.

AJL, located at 100 Holleder Parkway in Rochester, is a leading contract manufacturer with expertise in manufacturing low- to mid-volume, high complexity products involving precision sheet metal frame, weldment, and enclosure fabrication and electromechanical assemblies.

AJL Manufacturing was chosen based on the company's dedication to its employees and commitment to its current and future workforce. With assistance from Finger Lakes Wired training grant, AJL provided training to their employees, thus increasing their skills and providing them the tools they need to succeed and prosper. AJL has also shown dedication to the future workforce by posting positions with RochesterWorks!
