RochesterWorks! Names Klein Steel Service, Inc. December Employer of the Month

Rochester, NY—December 2009—RochesterWorks! (www.rochesterworks.org) has selected Klein Steel Service, Inc as employer of the month for December.

To be named an Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to job seekers in our region.

Klein Steel was chosen based on the company's dedication to its employees and commitment to its current and future workforce. With assistance from two Finger Lakes Wired Scholarship grants, Klein Steel provided training to their employees, thus increasing their skills and providing them with the tools they need to succeed and prosper. Representatives from Klein Steel participated in two adult job fairs and workshop events where they provided information about careers at Klein Steel. Klein Steel has also shown dedication to the future workforce by working with and committing to posting positions with RochesterWorks!
