RochesterWorks! Names The Employment Store February Employer of the Month

Rochester, NY—January 28, 2009—RochesterWorks! has selected The Employment Store as employer of the month for February.

To be named an Employer of the Month a company must be growing, increasing the skills of the local workforce, and offering opportunities to job seekers in our region.

The Employment Store was chosen based on the company's dedication and commitment to the current and future workforce.

Representatives from The Employment Store regularly come into the RochesterWorks! Career Center for recruitment events. They also participate in special events such as job fairs, networking groups, conferences and more. Last summer, The Employment Store worked with RochesterWorks! to place hundreds of youth into paid internship opportunities. They also were a host site for RochesterWorks! interns.

“One of our more rewarding partnerships is with RochesterWorks! through their job conferences and networking functions, they enabled us to recruit some great talent,” said Maryjo Kirsch.

The Employment Store has placed candidates from RochesterWorks! in a variety of industries. The company has helped more than 1000 companies recruit, screen and retain talent. Its recruiters have helped tens of thousands of applicants find rewarding jobs in our community.
