

Hear what Employers have to say about Digital Skills for Youth Interns

“We have really enjoyed having the experience mentoring an intern, very rewarding. Great experience for our organization and health center.” **Jennifer LaFranco, R.N., Mary Gooley Hemophilia Center**

“This has been a rewarding experience both for the interns learning more about workforce training and the employer in encouraging a young high school student to dream and achieve in the future.” Dr. **Louise Bennett, Refugee Medical Director, Westside Health Services**

“I am very excited to take part in this program. I am very impressed with the experience thus far, and forward to future collaborations.” Dr. **Jennifer Carroll, Family Medicine Research, Highland Hospital/University of Rochester**
