

**RochesterWorks! Workshops Help Job Seeker to get Multiple Offers**  
**By: Patrick Ward**

I want to thank everyone at Rochester Works for all their help. I have had multiple job offers and accepted a position at True Energy Solutions on Friday! Your spirit and positive outlook are contagious. You are doing great work. Thanks a ton!

My advice to new members is to take as many classes as possible. There was not a class that I didn't end up applying to my job search.
