## "Earn Your Worth"

"I want to take a moment to personally invite you to join me at a Special event, a new topic, never presented in Rochester.."

The best day of your job search is most likely the day that you receive the call that your favorite company wants to offer you the job. In order to get to that special day, a number of other steps need to be completed much earlier in the job search process. The challenge is that these steps are rarely taught, so you end up learning them through trial and error. The people that can teach you are recruiters, but teaching them to you puts them at a disadvantage. As Absolutely Abby, I'm going to put you in the driver's seat by sharing the Absolute truth and exposing secrets about:

- Filling out salary questions on applications and in cover letters
- Answering salary questions on phone screens and during interviews
- Determining your worth in the market
- Negotiating an offer or better yet, multiple offers

**If you want to stop leaving money on the table, you owe it to yourself to attend this event.**

**Take control of your career today!**

Or, just stop by and say "Hi". Either way, I hope to see you there! No registration required!
