JOB DESCRIPTION

RESPITE CARE PROVIDER

My Time Providers Program

Parents of children with developmental disabilities need time away from home as much as anyone, but finding someone to care for their son or daughter can often be a problem. In response to this widely felt need, The Arc of Monroe County has established the

My Time Providers Program which educates individuals 16 and over on how to care for people with special needs.

Before their services are made available to families, potential providers receive 20 hours of training covering such topics as communication skills, developmental disabilities, creative activities, care providing, CPR and First Aid. Each provider is also given a resource book of helpful information. My Time hours are per diem, flexible and the salary is negotiable.

My Time Providers offer families relief from the day-to-day routine of caring for a member who has a developmental disability. One satisfied family member has stated about the My Time Providers Program, ***"They provide us an opportunity to get away from that daily struggle – a break that's much needed."*** Providers may also accompany a family member on a recreational or social outing. There are over 100 families presently enrolled in the program.

Upcoming Training Sessions:

May 15-18, 2017
3:00-8:00pm each day

July 24-27, 2017
9:00am-2:00pm each day

AN APPLICATION AND INTERVIEW ARE REQUIRED PRIOR TO being considered to attend the TRAINING.
