Best Practices:

- OSOS case record must match hard file.
- Complete TABE test PRIOR to enrollment and CareerZone Portfolio BEFORE completing youth’s Individual Service Strategy (ISS) to first to narrow focus on career interest areas.
- Utilize Navigator Resources webpage to access current WIOA Youth resources.
- Accurately enter all data in **Youth Eligibility Fields** in the *Customer Detail and Comp Assess Pages* FIRST to capture all barriers and to ensure all information is verified as being correct.
- PRIOR to creating a WIOA Youth Enrollment:
 - ⇒ 1. Verify and/or update *Customer Detail* and *Comp Assess Pages* tabs so youth information is accurate.
 - ⇒ 2. **Enter the Data Element Validation (DEV) and DEV comment (SENSE Model)**. (Pgs.4-5) Record all eligibility obstacles documentation, coverage of Equal Opportunity and Grievance Procedures, and summarize youth’s completing CareerZone Portfolio and TABE testing to help determine educational and/or employment goals in the ISS and to outline supportive and/or developmental service needs.
 - ⇒ 3. **Create the WIOA Youth Enrollment** in the *Services Page* by entering and funding one (1) WIOA Youth element/service and one (1) Design Frameworks Service (non-element) with corresponding achievement objectives and supportive comment(s) adhering to SENSE Model.
- Per NYSDOL, complete data entry within 5 business days of connecting with youth to document performance indicator(s) attainment and progress towards educational and/or employment goals.

(Revised 11-15-21)

Part 1: Data Entry-Enrollment (pgs. 3-9)

On the top of the page, click on the **CUSTOMER Module** → *Customer Search Page*.

AVOID DUPLICATION of OSOS RECORDS. Prior to creating any new youth case record, search for participant with last name, first name and/or full SSN, if have it. Verify if youth has a **CareerZone** or **JobZone account**. If either account exists prior to OSOS enrollment, then OSOS will populate with username, password, name, address, DOB, Education and Employment Status.

- OSOS Status for 16-17-year-old: **Pending** → **Active** *or* for 18-24-year olds: **SS/IO** → **Active**

If no match found, create a new youth case record. Click **NEW** on bottom right, proceed to *Customer Detail Page*.

Youth Workforce Development: Data Management and Validation of Services

Changes **must** be documented in OSOS within 5 business day of connecting with youth per NYSDOL.

Required: Once a quarter, dually signed (Youth and Navigator Objectives and Services History): Need to update as continuation of the Individual Service Strategy (ISS) for accountability purposes and to capture any changes to youth's educational and/or employment goals. **Utilize "Youth – Update ISS/Objectives & Services History" service (not an element) on OSOS when completing this once a quarter.** Print Objectives & Services History once a quarter, youth signs and dates on the Customer Signature line and the Navigator signs and dates below youth. Completion of Objectives & Services History/ISS validates and authenticates discussions and conversations resulting in summary of provided elements/services and achievement objectives to youth, thus capturing changes in educational and/or employment goals. Then it is placed in youth's hard file.

Printing the Objectives and Services History: **Achievement Objectives tab**

At the bottom, click **Print** to bring up the Objectives and Services History. Click **Print** and both youth and Navigator sign once a quarter and copy is placed in hard file.

Part 4: OSOS 90-days Soft Exit, OSOS Hard Exit Exemptions, and Placing Temporary Hold (pg. 13)

Go to the *Services Page*

Enrollments Tab

90 Days Soft Exit (The Rule)

1. **ALL** Achievement Objectives and Elements/Services must be CLOSED OUT.
2. Click **Comments** at bottom of the *Services Page* to explain reason youth is being soft exited (SENSE Model) documenting progress towards attainment of employment and/or educational goals.
3. OSOS 90-days Soft Exit will occur unless co-enrolled as an adult or dislocated worker at RWCC.

OSOS Hard Exit: Youth is excluded from counting in Youth Performance Indicators based on the six exemption reasons listed below under **Non-Service Event** in the **Pgms/PA** in *Customer Detail Page*

NOTE: There's a bug with the non-service event button in OSOS production environment in the **Pgms/PA**. Just close out all services and exit them with appropriate hard exit reason under the **Enrollments Tab**.

Pgms/PA Before OSOS Hard Exit or manual exit was done under the **Enrollments Tab** in *Services Page*, however, now it is done in the **Pgms/PA** under **Non-Service Event** in the *Customer Detail Page* See NOTE above.

* Before OSOS will allow saving a **Non-Service Event** all Achievement Objectives and Elements/Services must be closed out. Click **Comments** (SENSE Model: pgs. 4-5) Document hard exit exemption reason.

- Click **Non-Service Event**
